Tulum by Sunset & Cosmic Ceremony Clothing optional!!!

Discover Tulum at sunset, the famous Mayan city built in honor of the sun God, atop a cliff, lapped by the turquoise waters of the Caribbean.

Spectacular view!

Experience the magical spell of peace and tranquility, one the most ancient ceremonies of Mexico, and come with us to meet a Mayan family.

The Temazcal: A pre-Hispanic bath or sweat lodge using medical plants in celebration of cosmic energy and power. With the permission of the Universe and the four directions, our Mayan Shaman will initiate you during this ceremony. Your body and soul will be purified and you will feel completely renewed and energized! After the sweat lodge, you will enter the crystal clear waters of the sacred cenote (lagoons) during the evening and freshen up from the hot steam.
